

SERVICE PROVISION

SUPPORT FOR GIRLS AGED 14-18

Motherwell Cheshire is a registered charity (1173554) based in Crewe and Winsford and has recently expanded its services thanks to further funding by BBC Children in Need & The National Lottery.

The Inspire Project is supporting girls aged 14-18 through counselling, peer support, mentoring & therapeutic groups. We also hold supplies of sanitary & toiletry products. These products have been donated or are free but funded so we are able to offer them free of charge.
